

REGRIDDING + ADVANCE PLOTING

GLY606 Water Data Analysis & Modeling

Nov 8th 2024

Create Virtual Environment

- https://github.com/act-hydro/GLY606_2024/tree/main/final_project/regrid_virtual_env

Regridding practice

- https://github.com/act-hydro/GLY606_2024/blob/main/final_project/final_prep2_regridding.ipynb

Advance visualization exercises

- https://github.com/act-hydro/GLY606_2024/blob/main/final_project/final_prep3_advance_plotting.ipynb

Name	Last commit message	Last commit date
..		
regrid_virtual_env	add virtual environment for regridding a...	23 minutes ago
01205500.basin_bound.gpkg	update final project example	2 days ago
01205500.riv.gpkg	add files for in class practice	30 minutes ago
ERA5.01205500.2012.nc	update final project example	2 days ago
ERA5.01205500.orig_rsln.2012.nc	add files for in class practice	30 minutes ago
elevation.01205500.nc	add files for in class practice	30 minutes ago
final_prep1_met_forcing.ipynb	update final project example	2 days ago
final_prep2_regridding.ipynb	add virtual environment for regridding a...	23 minutes ago
final_prep3_advance_plotting.ip...	add virtual environment for regridding a...	23 minutes ago
namerica_domain.01205500.nc	update final project example	2 days ago
